

Direct School Admission 2026 (for Secondary 1 cohort of 2027)

The DSA-Secondary exercise aims to promote holistic education and provides Primary 6 (P6) students an opportunity to seek admission to a secondary school based on a diverse range of talents and achievements that may not be demonstrated at the Primary School Leaving Examination (PSLE).

Parents and students are encouraged to choose schools wisely based on the students' aptitudes and strengths, bearing in mind the school's academic and non-academic requirements, and the programmes available to develop the area of talent.

Students who are successfully admitted to a school via DSA are expected to honour their commitment to the school, and participate in the activities related to the talent they are selected for from Sec 1 - 4 or 5.
