TERM 4
2017

MESSAGE FROM THE PRINCIPAL

Dear Parents and Guardians

ONCE again, in the blink of an eye, we reach the final term of the year, and we ready ourselves to bid farewell to yet another cohort of our dear IJ girls.

Term 3 was eventful. We give thanks to God for seeing our graduating girls through their national oral examinations for both English Language and the Mother Tongue Languages. We also thank him for protecting our Secondary 2 and 3 girls during their respective camps.

We also give thanks for wonderful celebrations to mark Youth Day, Racial Harmony Day and National Day, and for the smooth running of our annual Cross-Country Championships. We would like to express our deepest gratitude to our Parent Support Group for supporting us through all these celebrations and for cooking dinner daily for our graduating girls during the two periods of Night Study. Our parents have truly been amazing.

We also celebrated Teachers' Day at the end of the term, and we thank our girls, PSG and Alumni for making it a memorable occasion for all our staff. It is never easy being an educator, but as IJ Teachers we are especially blessed to have the support and partnership of parents and old girls of the school.

As we celebrate being together as IJ, we also embrace various milestones as an IJ family. This final term sees

all our girls taking their end-of-year examinations. It also marks a milestone for our graduating cohort as they take on their N and O Level examinations. We ask everyone to pray for our girls, for them to have tenacity, grit, wisdom and clarity to tackle their papers. We pray for God's protection, love and peace to be on each of them. Through it all, we pray that our girls will continue to forge strong friendships in the IJ sisterhood and be deeply rooted in the IJ values.

It is not easy being a student today, but with the support of their parents, friends, teachers and the entire IJ family, our IJ girls will have the edge to overcome any obstacle or challenge that may come their way. We hope to instil in our IJ girls the GRIT to pursue their PASSION and PURPOSE with TENACITY.

At CHIJ Secondary, we hope to nurture every IJ girl to be a Woman of Distinction who will be able to put her best foot forward in whatever she undertakes. We BELIEVE that our IJ girl CAN achieve whatever she puts her mind to. With God's grace within her and the IJ family behind her, our IJ Girl is ready to soar!

As usual, if you have any feedback, please email me at chijtpss@moe.edu.sg or karentay@chijsec.edu.sg. Let us all continue to grow together as one IJ family, Simple in Virtue, Steadfast in Duty.

Warmest regards

Mrs Karen Tay

I have loved you with an everlasting love;
therefore I have continued my faithfulness to you.
